Respected Sir,

We, from Technothlon, thank you for the support Kendriya Vidyalayas all over the nation have been providing us in conducting an event of this scale. In 2014, around 80 KVs have participated in Prelims held on 13<sup>th</sup> July 2014. Technothlon Prelims will be conducted this year on 19<sup>th</sup> July 2015. We wish to take the collaboration further this year by involving more KVs to participate. The Brochure and Invitation Letter for Technothlon 2015 have been attached with the mail. Please circulate them to all the KVs.

**Registration Process of an Individual KV:**

Sample Excel Sheet has been attached along with this mail. The details (e-mail id and contact number) of the students required for registration should be filled. The details of school and the faculty coordinator should also be filled in the space provided. This duly filled excel sheet should be mailed at [technothlon@techniche.org](mailto:technothlon@techniche.org) on or before 25 April 2015.

**Roll Number and Password:**

Roll Numbers will be mailed to school by the end of May. This roll number will be valid during Technothlon 2015 prelims and mains.

We will be contacting the schools individually in the month of March and the question papers will be sent to the participating schools by 13<sup>th</sup> July 2015.

Dear Madam / Sir,

**Subject: Inviting participation in Technothon 2015, The International School Championship conducted by the students of IIT-Guwahati.**

I am pleased to inform you that Indian Institute of Technology Guwahati, India will be organizing the Seventeenth edition of its Annual Techno-Management Festival, Techniche, from 3rd September to 6th September 2015. Every year as a part of Techniche, IIT Guwahati; its student fraternity conducts the International School Championship, TECHNOTHON, for the students of classes 9th to 12th.

**Technothon is held in two stages:**

1. Prelims: To be held on 19th July 2015
  2. Mains: To be held at IIT Guwahati during Techniche 2015
- Students participate in teams of two. There are two squads:
1. Junior Squad – Students of classes 9th and 10th
  2. Hauts Squad – Students of classes 11th and 12th

The top 250 teams from each squad are awarded gold and silver certificates from Techniche, IIT Guwahati. Moreover, the top 50 teams from each squad are invited to IIT Guwahati during Techniche, where they battle for the top spot in various exciting events. Also we provide an e-certificate of participation to all the students giving the exam.

Various eminent personalities and Nobel laureates have graced our campus through their presence during Techniche. There have been amazing lectures exclusively for Technothon students by personalities like Christer Fuglesang- ESA astronaut, George Kourounis, host of television series Angry Planet , and Roger Hunter, project manager for NASA's Kepler Mission.

Ever since Technothon began, it has gone from strength to strength, with the number of participating students increasing steadily every year. Last year, Technothon reached new heights like never before. The prelims examination was held at 200 major cities across the country on July 13th 2014, and it witnessed such a massive participation which is unparalleled by any other event of this sort conducted by any student organization in the country. I also take this opportunity to inform you that Technothon has started conducting the exam in Hindi as well.

Technothon is the endeavor of the students of IIT Guwahati to provide school students a platform for realizing their potential, gain fundamental experience and knowledge. It is an effort to inspire young minds and bring them the competitive feel much before they actually give JEE and other competitive exams. It is an excellent opportunity for students, not to be missed out. We will be glad if your school helps our endeavor and takes part in this event.

Thanks and Regards,  
Himanshu Goyal, Convener, Techniche 2015

## TECHNOTHLON

IIT Guwahati welcomes you to engage in Technothlon, the International School Championship where you will be pushed to your creative limits and also taken beyond. To take you through a startling journey of technical rigour, innovative and creative thinking here comes Technothlon with its first phase, Prelims for the students of classes 9th-12th on 19th July, 2015. Qualified students will then be competing for the 'International School Champions' title in the second phase, Mains conducted at IIT Guwahati.

### PRELIMS

Technothlon '15, the ultimate test of logic comes to the very doors of your city with its 12th edition to challenge the best brains of nation. Stand out from the crowd with the help of your excellence by engaging yourself in the battle of logic and analytical madness. Being an exam with no syllabus required, what you need to do is just take up the challenge and grab the entry ticket for Mains at IIT Guwahati.

### MAINS

The commencement of mains during the Annual Techno Management festival of IIT Guwahati. Technique creates an electrifying buzz. To help the squeaky wheels get the grease, various technical events are organised for the qualified top 50 teams of Prelims. Based on event performance various prizes ranging from laptops, ipads etc. are given to top 3 teams of each squad.

## TECHNOTHLON '14 EVENTS

### JUNIOR SQUAD

**HYDROCALYPSE:** Find your hidden Archimedes and relive the 'Eureka' moment. Explore the mechanical properties of fluids and master the misleading mix of machine and hydraulics to make the streams bend to your wishes and emerge victorious in the war of the waters.

**TECHNOKITS:** The crux of the matter is to unravel the hidden logic gate. Get to the roots of the circuit design, put your minds to work, scrutinize to crack the input-output duad and remember that your only bosom buddies are LEDs.

**INSTIGRID:** Sometimes, an opportunity is all that creates the bridge between dreams and destiny. In this version of the famous Game of Life, con your way as you traverse along the squares myriad twists.

“ Creativity is intelligence having fun ”

- Albert Einstein

### HAUTS SQUAD

**ROBOTER SAUNDE:** NASA's famed MAVEN rover is left stranded on the deceptive terrains of Mars. Rely on LDR's to explore the unknown and sharpen your image processing skills to survive in the ultimate quest of bots.

**NIC-DOOMSDAY:** Secret messages in obscure tongues, infiltration by covert agents and a streak of shadowy murders plague the security service NIC. But when infestation is from within, can you distinguish between friend and foe?

**BATTLE OF HOGWARTS:** The online hauts event - Battle Of Hogwarts, the enthralling game in which the participants cast various charms on dangerous monsters and each other and hover their way to victory.

### FINAL SHOWDOWN

You lock your horns with some of the best minds in three days of riveting competition to shine among the final five. To earn your spurs, you then battle through THE FINAL SHOWDOWN where only the unexpected is expected. Being a quick-witted team with a great command over logical thinking are the unavoidable skills required for this event.
